

ADVISORY NOTICE #2022-04
November 22, 2022

Dear Valued Customer,

Through this notice, Percussionaire® Corporation retracts the Advisory Notice issued in March 2021 and the Field Safety Notice issued in May 2021, as it has come to our attention that both Notices contain unsubstantiated statements about the CLT-210 breathing circuit and the CLV-213 breathing circuit manufactured by CircuitLife LLC. We regret any confusion caused from these Notices. We understand that both circuits have received CE certification.

Percussionaire® Corporation is happy to answer any of your questions. Please contact customer service at 208-263-2549 Monday through Friday 7:00 a.m. to 3:30 p.m. Pacific Time, or by email at customerservice@percussionaire.com
